

ASSESSMENT AS PREPARATION

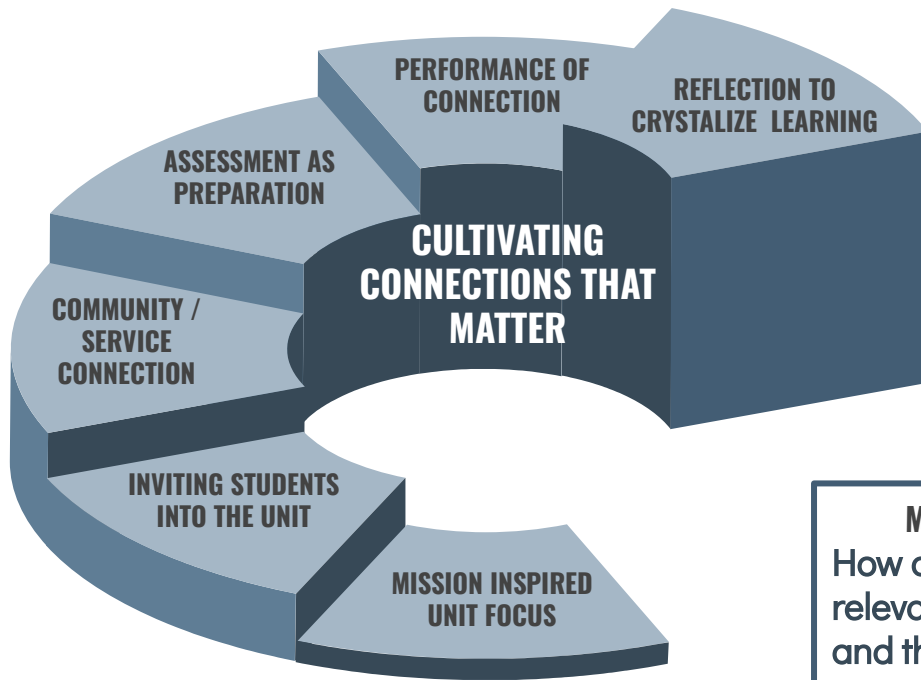

What skills and content knowledge will students need to create the performance of understanding?

PERFORMANCE OF CONNECTION

What unique challenge will inspire students to synthesize and apply their learning?

REFLECTION TO CRYSTALLIZE LEARNING

What prompts will encourage students to crystallize their personal development of connection?

COMMUNITY/SERVICE CONNECTION

How will you connect the learning to people or organizations grappling with this topic in the real world? How can students participate or observe?

INVITING STUDENTS INTO THE UNIT

How can you engage students from day one? What experiences can they contribute to the unit?

MISSION INSPIRED UNIT FOCUS

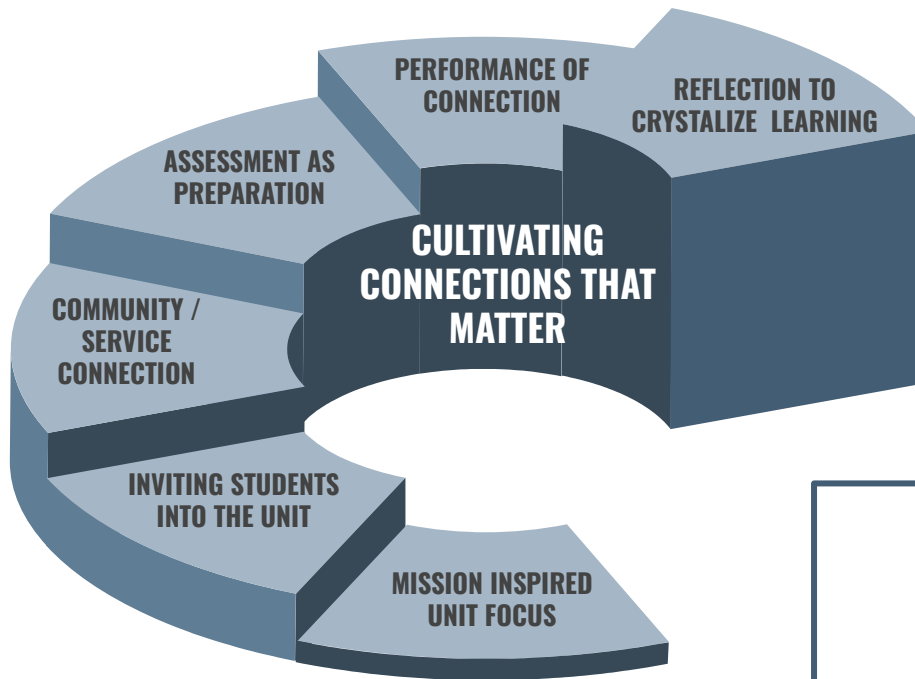

How can you make this unit relevant to students' experiences and the real world? What do you want them saying, thinking, feeling and doing as a result of this unit?
