15:09:58 From Kimberly Tyo-Dickerson : Bold and colorful, perfect in our eyes!  
15:11:06 From Catherine Bae : such a cute story!  
15:11:29 From Karen Van Drie : Adorbs! No kid could resist that book! They would giggle and giggle.  
15:12:40 From Catherine Bae : Korean title: "Whose bottom is the cutest?"  
15:13:04 From Kimberly Tyo-Dickerson : @Catherine !!!  
15:21:08 From Kimbra : Wonderful story of how Arabella came about  
15:21:34 From Courtney Park : I love hearing Arabella's story!  
15:21:51 From Karen Van Drie : Loved hearing that story!  
15:22:47 From Jeremy Willette : Thank you for creating this series and for showing all girls that they are princesses!  
15:23:07 From Karen Van Drie : Well said, Jeremy!  
15:23:30 From Kimberly Tyo-Dickerson : Even though my daughter and son are much older, we love Mylo's books. Important for all children everywhere.  
15:25:02 From Karen Van Drie : Is Every Girl Is a Princess a beginning reader?  
15:25:06 From Kimberly Tyo-Dickerson : Casava Republic.  
15:25:18 From Nathalie : Agreed and as Mylo said the books are not just for girls, my little boy of 6 loves the Arabella stories  
15:25:27 From Kimbra : I kind of of think all children want to be a princess... Who wouldn't right?  
15:25:28 From Clara Konkwo : I love the books and I saw the books when I travelled to Nigeria  
15:25:44 From Kimberly Tyo-Dickerson : Nope, Cassava Republic for sourcing diverse titles;

15:27:20 From Jeremy Willette : Great quote!!

15:27:32 From Kimberly Tyo-Dickerson : I love reading the direct quote, it is more complex than summaries.  
15:27:43 From Clara Konkwo : A nice quote.  
15:27:58 From Kimberly Tyo-Dickerson : It juxtaposes the views in important ways, all children need both.  
15:28:32 From Karen Van Drie : So pretty!  
15:31:19 From Julie To All Panelists : Well worth watching with the same message  
is the TedTalk with Grace Lin.

15:33:29 From Kimberly Tyo-Dickerson : What was also great is the Kinderboeken Week books are hardcover at a price point that almost any family could afford.  
15:38:50 From Kimberly Tyo-Dickerson : So excited by this adaptation and translation!  
15:39:36 From Clara Konkwo : Great idea  
15:40:43 From Karen Van Drie : I can't wait to see this! I facilitated a discussion of We Should All Be Feminists for the World Economic Forum Book Club (180,000 members). It was so fun to see people react to Chimamanda Ngozi Adichie who had not known of her before. The discussion was so rich!  
15:41:13 From Kimberly Tyo-Dickerson : I love books that celebrate hairstyles and fashion. We have had important conversations about the potential issues surrounding "Crazy Hair Days" during Spirit Weeks at our school. Many "funny" styles mimic African hair styles, not in a respectful way...  
15:42:34 From Jeremy Willette : I love seeing all these photos of children seeing themselves as princesses. These festivals and workshops are a great idea! I love that you have clothes available for kids who don't have these at home.  
15:43:13 From Clara Konkwo : Would you prefer virtual visit to school?  
15:43:24 From Kimbra : Beginning. Great. That means EVERYONE can read it.  
15:44:18 From Clara Konkwo : I think so too  
15:44:31 From Courtney Park To All Panelists : Kim we really need to cut it. Already over time.

15:45:04 From Sabrina Rossi : fantastic

15:45:23 From Clara Konkwo : Thank you so very much Mylo
