09:46:22 From Tara Russell : That was absolutely amazing! Thank you so much.

09:46:32 From Kam Chohan : Jeremy a question, does purpose figure in what ZY is discussing please

09:46:51 From Courtney Park : Can you share the link for the summer project?

09:47:01 From Kim Tyo-Dickerson : How do students become involved in the HIP Project?

09:47:03 From Kam Chohan : Amazing presentation, thank you

09:47:29 From Kam Chohan : Yes I think purpose is very important for all

09:47:42 From Kim Tyo-Dickerson : What should schools do when students don't feel or experience passion in their learning?

09:47:44 From Kam Chohan : You have to have your own purpose

09:48:15 From Kim Tyo-Dickerson : Q: What practices should schools employ to guide students to find purpose?

09:48:15 From George : How did ZY know when he found his passion and purpose? What was that process like for him?

09:48:16 From Nadine Bailey : <https://colablearning.com.au/event/human-interconnectedness-program-hip-a-virtual-global-camp-designed-by-professor-yong-zhao/>

09:48:36 From Kim Tyo-Dickerson : @Nadine! Thank you!  
09:48:45 From Betty Turpin : Dr. Zhao, What have you found is the best or ideal school structure for nurturing students' individual talents and interests? It is clear to me how librarians and school libraries support the students, but what kind of school structure do you consider to be closest to best practice?  
09:48:54 From Yong Zhao : yongzhao@ku.edu  
09:49:15 From muyenga kassongo : Thanks  
09:49:56 From sonia : Interesting presentation thank you.  
09:50:24 From Sarah Ducharme : Innovation Academy at Colegio Roosevelt in Lima is a good example as well.  
09:51:48 From Kim Tyo-Dickerson : IS Hague has a MYP "Pathfinder Programme" that is based on student inquiry. Can be very powerful...  
09:54:02 From Anthony Tilke : Dr Zhao, Sometimes, the library can be considered beyond a border of learning. Is there a role for teacher education? This is because few teacher education institutes may look at collaboration/information literacy/curation, etc.  
10:00:01 From sonia : Encouraging teachers to leave their classroom is difficult - many teachers seem to think the laptop allows students to explore information - I am constantly trying to say no! students should be researching in  
10:00:09 From Sarah Pickles : So much food for thought! Thank you!  
10:00:10 From Kim Tyo-Dickerson : Thank you Dr. Zhao!  
10:00:11 From Karen MacMeekin/AIS Budapest : Thank you!!  
10:00:17 From Sarah Ducharme : Thank you!  
10:00:17 From Nadine Bailey : thank you
