

INTERNATIONAL SCHOOL ANTI-DISCRIMINATION TASK FORCE

OUR MISSION

Providing an environment that allows everyone to flourish by promoting practices that eliminate racism, implicit bias, and discrimination of all kinds in schools.

OUR VISION

International schools that are truly diverse, inclusive, safe, equitable, and welcoming communities for all students, staff, and families.

OUR FOCUS

The initial focus is supporting and connecting school leaders and those who have been assigned the role to lead school wide diversity, equity and inclusion initiatives that promote learning environments free of racism, implicit bias, and discrimination of all kinds. The long term aim is for all members of the school community to be active in bringing about systemic change to realise the ISADTF mission.

OUR 2022-23 GOAL

Establish the task force and set its objectives with an inaugural event with 100-125 participants from schools and the international school organizations that support them.
